DTR-3872

4 September 1969

MEMORANDUM FOR: Director of Training

SUBJECT : Cancellation of Chiefs of Station Seminar
No. 1-70

REFERENCE : OTR Regulation No. 25-11, dated
12 January 1960

1. Only four students have registered for the Chiefs of Station Seminar scheduled from 6 through 17 October 1969. The DDP/TRO states that only one possible additional person might register for this running, and that a significant number of new COS, DCOS, or COB designees is not expected before 1 January 1970.

2. By arranging informal briefings on key topics normally presented, supplemented by other briefings on areas of particular concern to the officers in their new assignments, the needs of the group already registered can be met without a formal offering of the full course. Key topics and special interests have been identified by consultation with the previous course coordinator, and with the officers themselves.

3. The DDP/TRO concurs in this recommendation to cancel COS Seminar No. 1-70. Your approval is requested.

25X1A
